

WEBSITE DESIGN

SCOPE OF SERVICES

- Art Advocates will create a custom website including:
 - Landing Page - Custom Header and Footer, Slide Show up to 10 images
 - Gallery Page - Includes 20 images with image zoom feature and title card information
 - Bio Page - Includes Artist Bio and one photo
 - Contact Us Page - Email, Phone, etc.
 - Social Media Integration Links - Working buttons that link to your social media
- Art Advocates will build the website within a four week period of receiving all images and info from the artist.
- Using your logos and graphics, Art Advocates will create a custom header and footer for the website. If you don't have a logo, we will create one for you.
- Art Advocates will create a promotional slide show video of your work to be displayed on the landing page.
- Upon completion Art Advocates will promote your webpage on social media.
- Art Advocates will not be involved or take a commission on any sales by artist.
- One hour planning and layout meeting included.

Art Advocates will facilitate Domain Name Registration: approximately \$15 + depending on Go Daddy pricing at time, and hosting depending on Go Daddy pricing at time, currently approx. \$18/month - Both to be paid by artist with facilitation by Art Advocates.
